

MR. SYLVESTER E. SMITH, 2609 South Grand Avenue, St. Louis, Mo., writes: "Peruna is the best friend a sick man can have."

"A few months ago I came here in a wretched condition. Exposure and dampness had ruined my once robust health. I had catarrhal affections of the bronchial tubes, and for a time there was a doubt as to my recovery."

"My good honest old doctor advised me to take Peruna, which I did, and in a short time my health began to improve very rapidly, the bronchial trouble gradually disappeared, and in three months my health was fully restored."

"Accept a grateful man's thanks for his restoration to perfect health."

You'll Feel Like a Boy Again!

If you will only clean up your whole system, relieve it of the stagnation of blood and the consequent toxins that poison its action, and aid your breathing and digestion by gently clearing the way for their perfect working.

Colds, coughs and grip are the symptoms—not the cause—of catarrh, either acute or chronic, local or systemic. Catarrh is inflammation of the mucous membrane, that substance through which you breathe the air and absorb your food. If it is inflamed—filled with stagnant blood—whatever it absorbs must be tainted; and Nature gives warning and then fights to throw off the stagnation.

When this warning is given, by a cold, a cough, indigestion, or fever, it means the catarrhal process is getting the best of the body. Go to the rescue with a good, reliable tonic for the membrane, a helping hand that will aid digestion, restore appetite, overcome stagnation, relieve inflammation and bring back health.

Peruna Has Done This

Thousands of people who have suffered long have been healed. Hundreds of thousands have prevented more serious troubles and been restored. Forty years of success have made Peruna the family remedy in the homes of America.

It invigorates. It clears up the mucous membrane, so that it may restore the breathing and the digestion to normal. These two functions are the body builders. Build your body to health, and you will "feel like a boy again."

Experience is the safest guide. Does anybody ever question the story of the many thousands who praise Peruna? The Peruna Company, Columbus, Ohio

Peruna may be had in tablet form for convenience.
